60 2. PC 17-01 SKYWAY TOWERS LLC'S REQUEST FOR CONDITIONAL USE

61 Mr. Lomako referenced a correspondence he previously provided the Planning
62 Commission in reccomendation of the conditional use:

63

64 1. Parking area should be paved

65

66 2. Hard surfacing should be required

67

68 3. Landscape buffer requirement - Not recommended

69

70 4. Reccomendaation of removing barbed wire.

71

72 5. Financial security to ensure potential removal at some point. Their provided
73 documentation is expected to be provided in good faith.

74
75 6. A recommendation cannot be made in regards to human health. Any potential
76 negative effects would likely be minimal due to the location.

77
78 Chairman Misek:
79 Questioned if the club had an issue or preference on the gravel vs. asphalt?

80
81 Mr. Hanke preferred the paved over gravel.

82
83 Mr. Major inquired about the time study duration from the presentation which is 2008-
84 2016

85
86 Mr. Duggan questioned bandwidth streaming usage. Tower is designed for 5G

87
88 Mr. Misek: questions to the applicant. Confirm the paving of drive

89
90 Barb wire, Bond

91
92 Mr. Duggan questioned the on site backup generator which is not expected in this
93 project.

94 3. Motion for the Planning Commission to recommend the approval of the request for
95 conditional use of skyway tower with the items outlined in the Wade Trim Letter: 1. -
96 6. Also note the Planning Commission does not identify any negative impacts to
97 surrounding properties and there is no further vegetative buffer required. It is the
98 Planning Commission's expectation the vegetative buffer be maintained
